Subject: VEHICLE BREAK-IN BANDIT STRIKES AT DAY CARE

~ UPDATE ~

The surveillance video footage that was initially released was surrounding the car break-in on 7-31-15. There is additional video footage of incidents that have taken place at the Ebenezer Day Care where vehicles have been broken into. The dates of all the car break-ins are 6-17-15 (NO VIDEO), 7-24-15, 7-28-15 and 7-31-15.

In all the incidents that have been captured on video, the same suspect is seen breaking into the unoccupied parked vehicles.

Detectives believe the suspects may be a part of an organized ring that have targeted other daycares within the Flagami NET service area. We need your assistance in identifying them.

The still photos depict one of the suspects attempting to make a purchase with a credit card that was stolen out of one of the vehicles.

The video surveillance is available to be recorded off the computer monitor at the Miami Police Department's Public Information Office today, from 3:30-5:30 P.M.

On Friday, July 31, 2015, at approximately 7:45 A.M., the victim was dropping her child off to the Ebenezer Day Care, located at 4111 S.W. 4th St. once she entered the building, a Silver 4 door, possibly a Dodge Dart, parked next to her vehicle. At that moment, a Black male exited the Dodge and walked to the passenger side of the victim's vehicle and proceeded to open her door and take her purse.

The subject then fled the scene west on S.W. 4th Street.

Miami Police are looking for a Black male, 5-10, 180 lbs. with dread locks, last seen wearing a Black shirt and Beige pants.
